

YOUTH SERVICE PROVIDER RESOURCE FAIR

Governor's
Workforce
Board
Rhode Island

Today's Vision... Tomorrow's Opportunity.

The Governor's Workforce Board RI and the RI Department of Labor and Training, together with the Youth Councils of Workforce Partnership of Greater Rhode Island and Workforce Solutions of Providence/Cranston, invite you to a **Provider Resource Fair** designed to inform those who serve youth about the workforce development, job training, and education resources available across the state.

Representatives from community-based organizations, Industry Partnerships, labor and post-secondary education and training entities will be on hand to share information about who they are and what they do.

Although the fair is open to the public, the intended purpose of the forum is to connect youth service providers with each other.

An optional **one-hour professional development training** will also be available from 11:30 am - 12:30 pm. Youth Engagement will address promoting the youth voice in programs and organizations and how to move to a "youth driven" service model.

**Wednesday, April 9
9 am - 12:30 pm
Rhodes on the Pawtuxet
60 Rhodes Place
Cranston, RI**

Schedule of Events

- 8 am **Booth Set-Up**
- 8:30 am **Presenter Breakfast**
